

LRALC Limited

Supporting Local Councils in Leicestershire & Rutland

Leicestershire and Rutland Association of Local Councils has a long and proud history over 8 decades of supporting parish and town councils and parish meetings. In 2018 our role and range of services as a county association is greater than ever, and 2018 also marks the first time in living memory that LRALC has had 100% membership of councils in the two counties it covers. No other county association in the country currently has full membership. However, in order to grow our services and capacity LRALC needs to invest in its own growth, and earlier this year a Medium Term Financial Plan was adopted covering a 3 year period. To reflect the increasingly commercial and competitive environment we operate in LRALC underwent incorporation on 23rd April 2018 and is now a Company Limited by Guarantee (<https://beta.companieshouse.gov.uk/company/11323405>).

We currently have two vacancies on our Board of Directors:

- Vacancy 1 – a vacancy for a town or parish councillor from a council within **Charnwood Borough**.
- Vacancy 2 – a **general vacancy for any individual** who wishes to be considered as an LRALC Director (this is one of two general positions intended to allow the Board to appoint individuals who are not councillors but whom have a skill set that would benefit LRALC).

If you are interested in being considered for either of these vacancies please contact Jake Atkinson (Chief Executive and Company Secretary) in the first instance. The next Board meeting is on 10th September and the vacancies will be discussed at that meeting.
